Los estudiantes seleccionados tendrán la oportunidad excepcional de participar de esta experiencia en el Instituto Weizmann en Israel y recibirán soporte económico.

The Dr. Bessie F. Lawrence

# 50<sup>th</sup>

## International Summer Science Institute

For High School Graduates at the Weizmann Institute of Science, Rehovot, Israel  
July 3<sup>rd</sup> – 26<sup>th</sup>, 2018

Dedicated to bringing together talented pre-university students from all over the world to experience the challenges and rewards of scientific research and to learn more about the Weizmann Institute of Science and life in Israel today.

An unparalleled opportunity to spend a month in one of the world's leading scientific research institutions.

A unique chance to work in research labs alongside teams of leading scientists.

Share the excitement of science with students from many countries. Join in real experiments. Attend lectures where top scientists introduce you to some of the most cutting-edge scientific advances.

In addition to the science, enjoy a week of field studies, exploring Israel's diverse ecosphere, its wildlife and amazing archaeology.
